USGA Regression Method

Compares the scores of the tied players from the back nine (holes 10–18) in order, starting with the largest number of holes. If there is still a tie, the method continues to the last six holes (holes 13–18), then the last three holes (holes 16–18), and finally the 18th hole. The score can be gross or net, depending on the award. Net segments deduct the handicap strokes that actually fall on those holes, based on each hole's stroke index.

Tie Breakers

Flight AA - Low Net: Terry (32) over Porteous (34) on the last nine holes.
